

100 YEARS OF MOMENTUM

Sponsorship Opportunities

Your chance to engage with America's brightest & most enthusiastic physics & astronomy students

OCTOBER 6-8, 2022 | WASHINGTON, D.C.

A Physics Congress brings together over 1,000 physics & astronomy students with mentors, alumni, & renowned scientists for a life-changing experience. The Centennial Congress in Washington, D.C. presents a special opportunity to celebrate as a community the 100 Years of Momentum of Sigma Pi Sigma, the Physics Honor Society.

The Sigma Pi Sigma Physics Congress is the largest gathering of undergraduate physics students in the world. Each event attracts the brightest, most enthusiastic physics students & alumni from across the country. Attendees will engage in workshops, tour premier local organizations, learn from luminaries in the field, & strengthen our community.

Plenary Speakers:

Julianne Pollard-Larkin | K. Renee Horton | Rush Holt Jr.
| Sarah Hörst

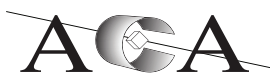

Special Centennial Speakers

Eric Cornell | Jim Gates | Jocelyn Bell-Burnell
| John Mather

Partnering with Sigma Pi Sigma during our centennial celebration gives you a customizable opportunity to reach future physicists & astronomers as they begin their careers.

2019 SPONSORS

Classical Mechanics Level \$25,000

Offers visibility and engagement with students, faculty, executives, and other VIP guests, including:

- Direct underwriting and signage displayed for your choice of either:
 - One Poster Session (multiple available)
 - Wi-Fi Underwriting
- Signage prominently displayed throughout event meeting space
- Logo and prominent acknowledgment in either *The SPS Observer* or *Radiations*.
- Dedicated interview space during the Congress.

All Sponsors Receive:

- Acknowledgment on the Physics Congress website and published congress program
- The opportunity to include materials in guest registration bags
- Exhibit space or advertisement space in the official program booklet

General Relativity Level \$10,000

Offers visibility and engagement with students, faculty, executives, and other VIP guests, including:

- Direct underwriting and signage displayed at a Coffee/ Snack Break
- Signage prominently displayed throughout event meeting space
- Logo and prominent acknowledgment in either *The SPS Observer* or *Radiations*.

Modern Physics Level \$5,000

Offers visibility and engagement with students, faculty, executives, and other VIP guests, including:

- Direct underwriting of conference signage, or comparable
- Signage prominently displayed throughout event meeting space

University Physics Level \$2,500

- Signage prominently displayed throughout event meeting space

In-Kind Donations & Exhibit Space

We also accept in-kind donations for items including registration bags and other meeting materials. Exhibit space is also available. Contact us for details on either of these possibilities at sps@aip.org.

YEAR-ROUND COLLABORATION OPTIONS:

Society of Physics Students (SPS)/Sigma Pi Sigma Scholarships and Awards

Connect with physics & astronomy undergraduates by funding scholarships, outreach, & research.

SPS Internship Program

Help fund valuable summer internships for students. You may be able to sponsor interns to work directly with your institution.

Job Fairs at Regional & National Meetings

In addition to the Physics Congress, regional SPS meetings are held annually across the USA. SPS also hosts student presentations and receptions at AIP Member Society Meetings, including OSA, APS, & AAPT.

To ensure your organization's sponsorship of this historic event, please contact the AIP Development team directly and visit us at foundation.aip.org/student-programs.html

We look forward to partnering with you on the best physics has to offer.

Contact Us

Learn more about the Centennial Physics Congress by contacting Brad Conrad, SPS and Sigma Pi Sigma Director, at bconrad@aip.org.

For details on opportunities to participate in and support the Physics Congress, please contact:

Mariann M. Salisbury, Director of Development
