

# Scientific Meetings for Students

Members of the Society of Physics Students presenting their research at a national meeting of the professional societies in the AIP federation are eligible for \$200 in travel assistance. See <https://www.spsnational.org/awards/travel> for more information.

## featured meeting

### American Crystallographic Association 66<sup>th</sup> Annual Meeting

Denver, CO • July 22-26, 2016

The 66<sup>th</sup> Annual Meeting of the American Crystallographic Association (ACA) will include a strong educational component for early career scientists with specific talks designed to introduce research areas in addition to presenting results. Related evening sessions include a mixer, career fair, career development, and diversity in the laboratory. The conference will end with a closing banquet and the award of poster prizes for the best presentations. See <http://www.amercrystalassn.org/2016-meeting-homepage> for more information.

The deadline to submit applications for this meeting is Monday, July 11, 2016. Apply now at <https://www.spsnational.org/awards/travel>.
