

Your Work at PhysCon

Present your Work

The PhysCon undergraduate poster sessions are a wonderful opportunity for students to share their physics or astronomy research, community engagement project, or artwork. Discuss your work with other aspiring and experienced physicists!

Abstract Submission:

sigmapisigma.org/congress/2019/poster-presentations

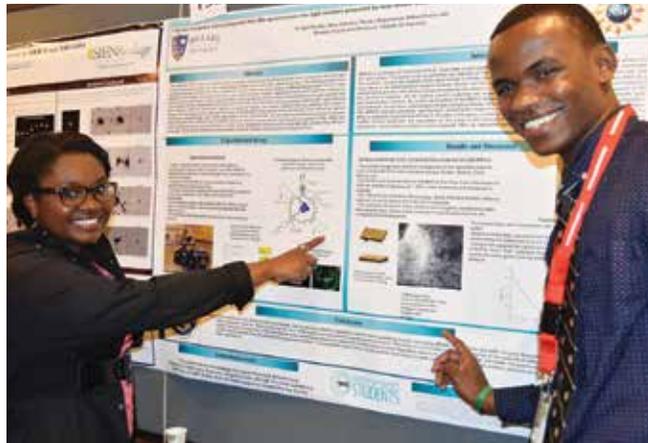

Travel Awards Available!

A limited number of Travel Awards in the amount of **\$200** will be offered to help fund undergraduate students presenting their work at PhysCon. Applicants must be members of SPS National at the time of the meeting.

APPLY TODAY!
